The Kenwood DRV-410 Dash Cam is a great addition for your added security and reassurance on the road. The on-board camera automatically starts recording as soon as the vehicle ignition is switched on. As video footage is now widely accepted and used for insurance claims, the dashcam is designed to give drivers peace of mind. The pack includes a GPS integrated dashboard camera with advanced driver assistance systems (ADAS) built-in and has full HD recording at 27 frames/sec.
