**also available  
with the mild hybrid engine**

# hybrid by nature

Designed to turn heads, new Renault Arkana E-Tech full hybrid reinvents the sports SUV. With a streamlined silhouette, raised ground clearance and restyled grille, it successfully combines a dynamic shape with a spacious interior enhanced by a large boot.

Discover the iconic Sport-Chic version, esprit Alpine, and enjoy responsive driving with the E-Tech full hybrid 145hp engine.

sports SUV	3 seats at the rear	up to 513 litres <sup>(1)</sup> of boot volume
E-Tech full hybrid 145 hp engine	up to 1,000 km of range <sup>(2)</sup>	20 advanced driver-assistance systems <sup>(3)</sup>

(1) depending on engine.  
(2) with a full tank of petrol according to WLTP data.  
(3) depending on version.

## sportiness embodied

With a completely restyled grille that incorporates the new Renault emblem, the front end adds to the vehicle's design. At the rear, the black twin exhaust and wide spoiler emphasise its dynamic character. In the esprit Alpine and techno version, the emblematic F1® blade oozes sportiness.

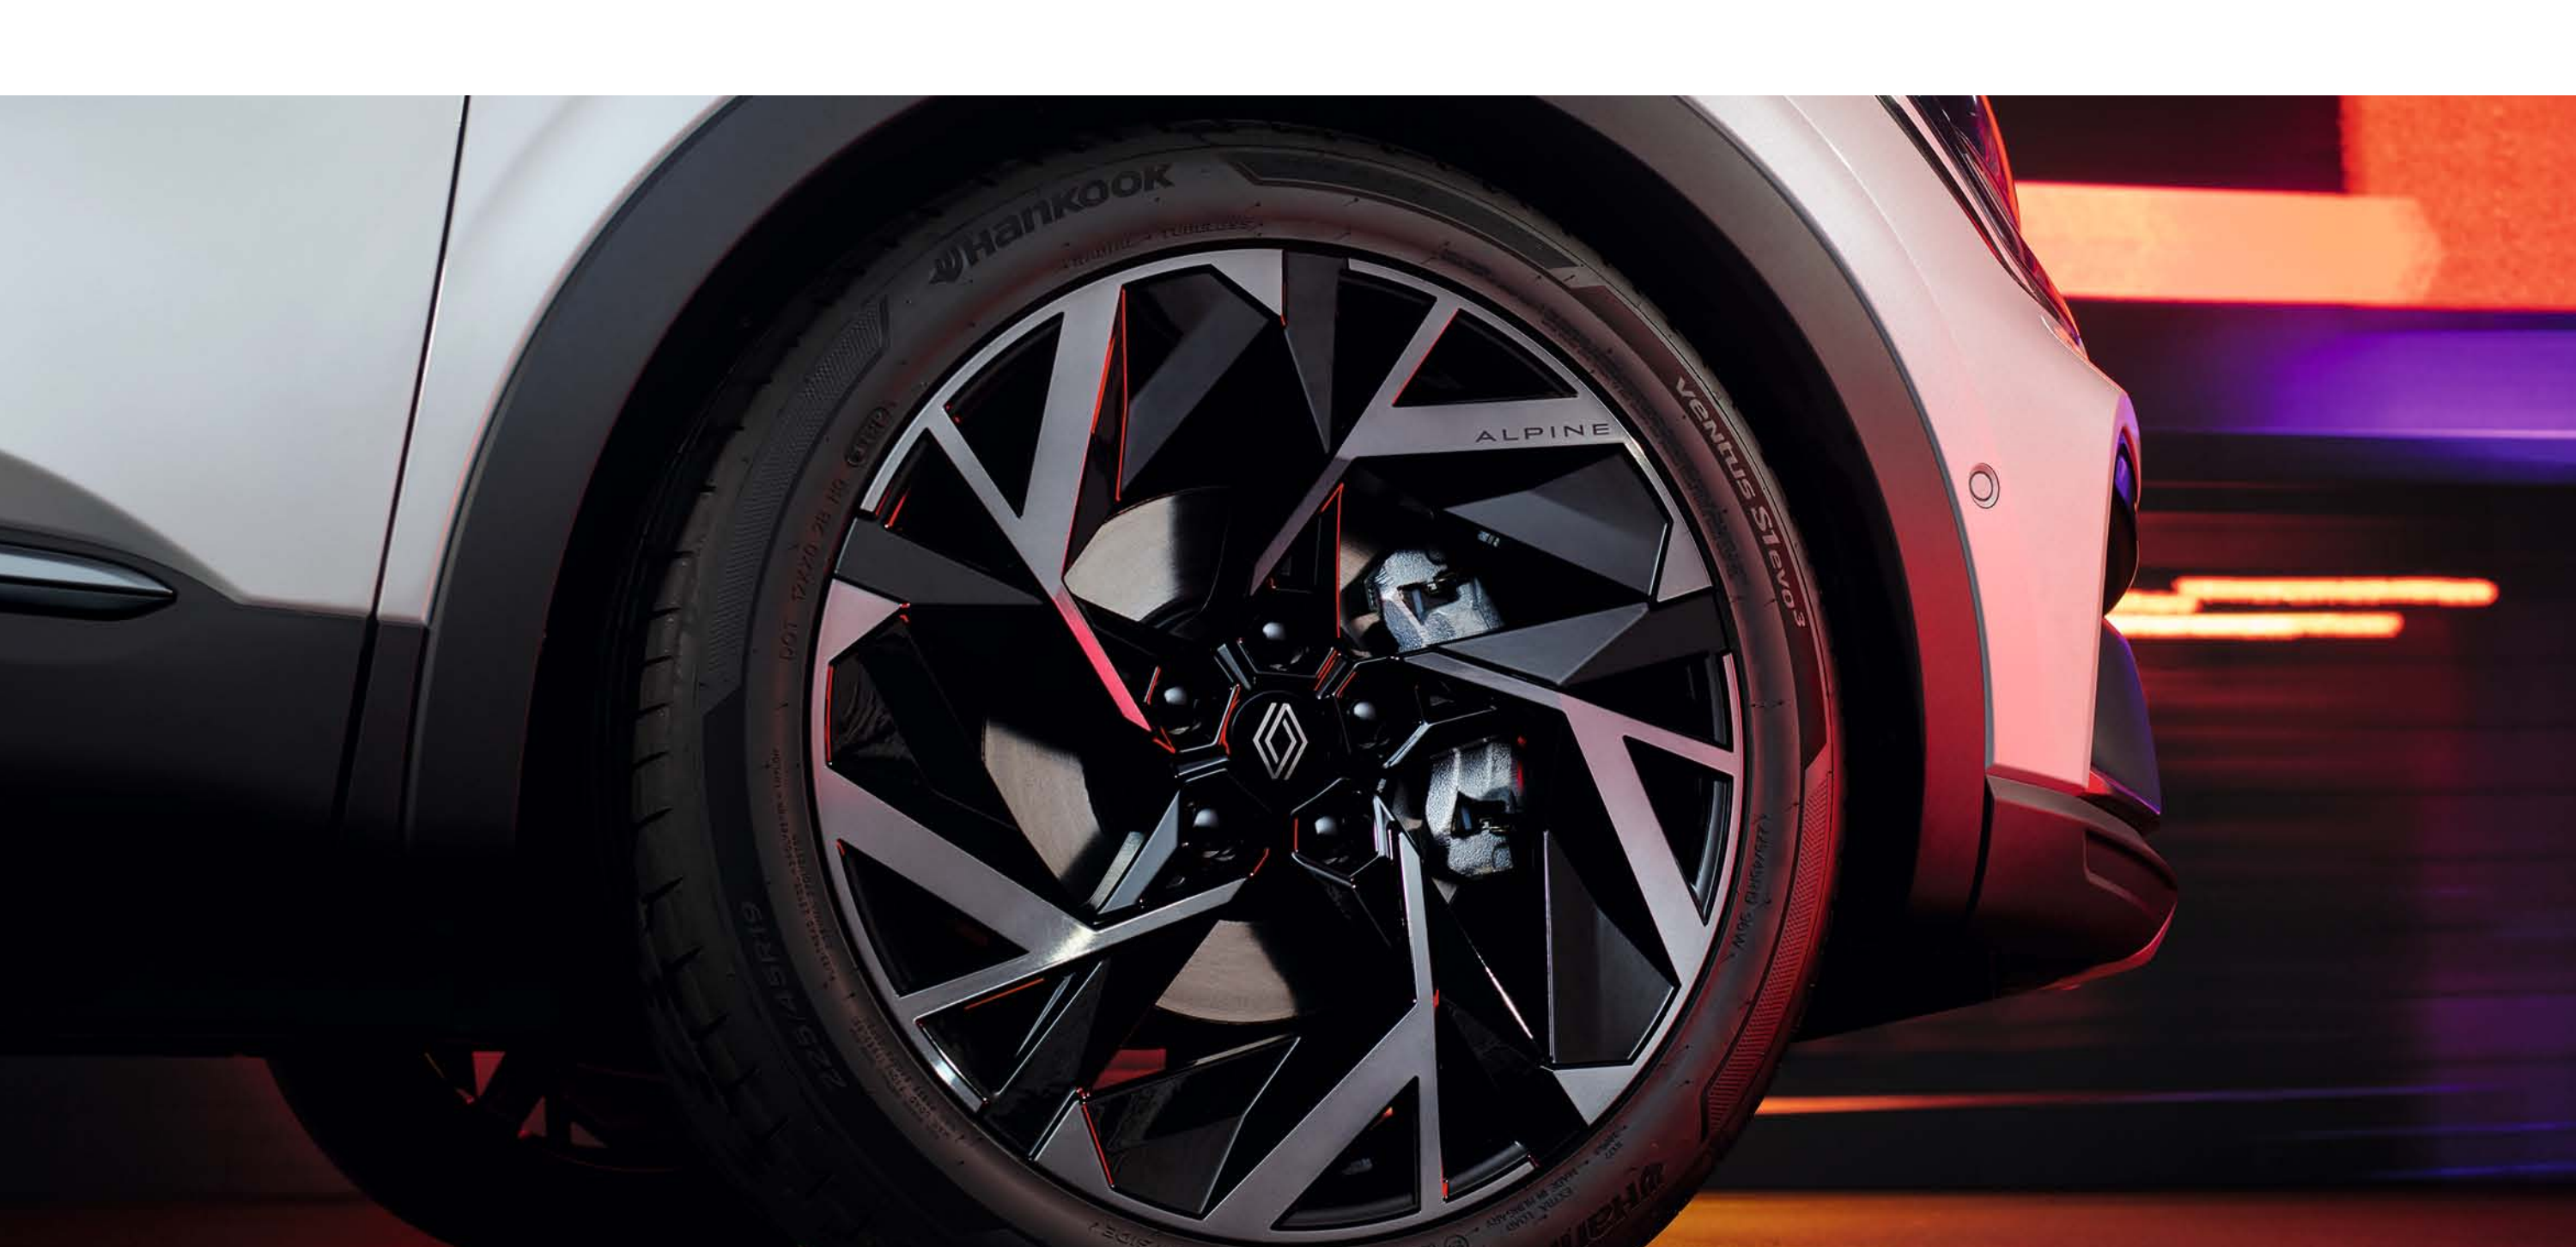

The new glossy black chrome-finish grille with unstructured diamonds creates a unique personality.

The rear end does not go unnoticed with its translucent smoky lights, new dark chrome Renault emblem and black Arkana marking.

esprit Alpine badge on the front wings and robust look with its new 19" **elixir** wheels.

The interior has an elegant and sporty atmosphere thanks to upholstery enhanced with blue top-stitching. The steering wheel comprises red, white and blue stitching. The Alpine logo - a sign of exclusiveness - embellishes the front seats.

# E-Tech full hybrid 145hp and mild hybrid 140hp engines

E-Tech full hybrid 145 hp	up to 80% electric driving in town <sup>(1)</sup>	up to 60 km/h in electric mode <sup>(1)</sup>
up to 1,000 km of driving range <sup>(2)</sup>	from 4.7 l/100 km fuel consumption <sup>(4)</sup>	from 105 g/km <sup>(3)</sup> CO <sub>2</sub> emissions <sup>(4)</sup>

The E-Tech full hybrid 145 hp and mild hybrid 140hp engines make the car a pleasure to drive. As it is always started in electric mode, acceleration is crisp and dynamic. In town or on the open road, enjoy silence, responsiveness and agility.

**E-Tech full hybrid 145 hp engine**

In town, enjoy fuel savings of up to 40%; drive up to 80% of the time in electric mode and without any noise, while automatically charging the battery when decelerating or braking. No need to plug your vehicle into a power outlet.

**mild hybrid 140 hp engines**

The electric system accompanies the engine in the acceleration phase to enhance the experience and reduce fuel consumption.

	E-Tech full hybrid 145 hp	mild hybrid 160 hp
technology	1230V battery + 2 electric engines + 1 internal combustion engine	112V battery + 1 internal combustion engine
reduction of fuel consumption <sup>(3)(4)</sup>	up to 40%	up to 8%
fuel consumption <sup>(3)</sup>	from 4.7 l/100 km	from 5.8 l/100 km
CO <sub>2</sub> emissions <sup>(3)</sup>	from 105 g/km	from 130 g/km
Crit'Air rating	1	1
energy recovery via deceleration and braking	yes	yes
management of energy recovery level	yes	no
electric assistance to the internal combustion engine	yes	yes
electric driving in town <sup>(1)</sup>	up to 80% electric driving in town <sup>(1)</sup>	no

(1) depending on battery charge status and driving style / Renault internal source / November 2021.  
(2) with a full tank of petrol according to WLTP data.  
(3) values from 4.7 l/100 km of fuel consumption and from 105 g/km of CO<sub>2</sub> emissions, according to WLTP data / UTAC source / November 2021.  
(4) for an E-Tech full hybrid engine compared with an auto mild hybrid engine, according to WLTC City data / UTAC & IDIADA source / November 2021.

## immersive pleasure

**"Premium-touch" materials, light and airy passenger compartment with a glazed electric sunroof, heated driver's seat and immersive musical experience with the Bose® sound system. Multi-sense technology offers you three driving modes for a personalised experience.**

**The slate finish of the dashboard and door panels is elegant and adds to the cockpit's modern look.**

2 tweeters on the sides of the instrument panel, 4 woofers in the front and rear door panels, 2 tweeters in the rear door panels and 1 subwoofer in the boot.

(1) optional.

## intuitive connectivity

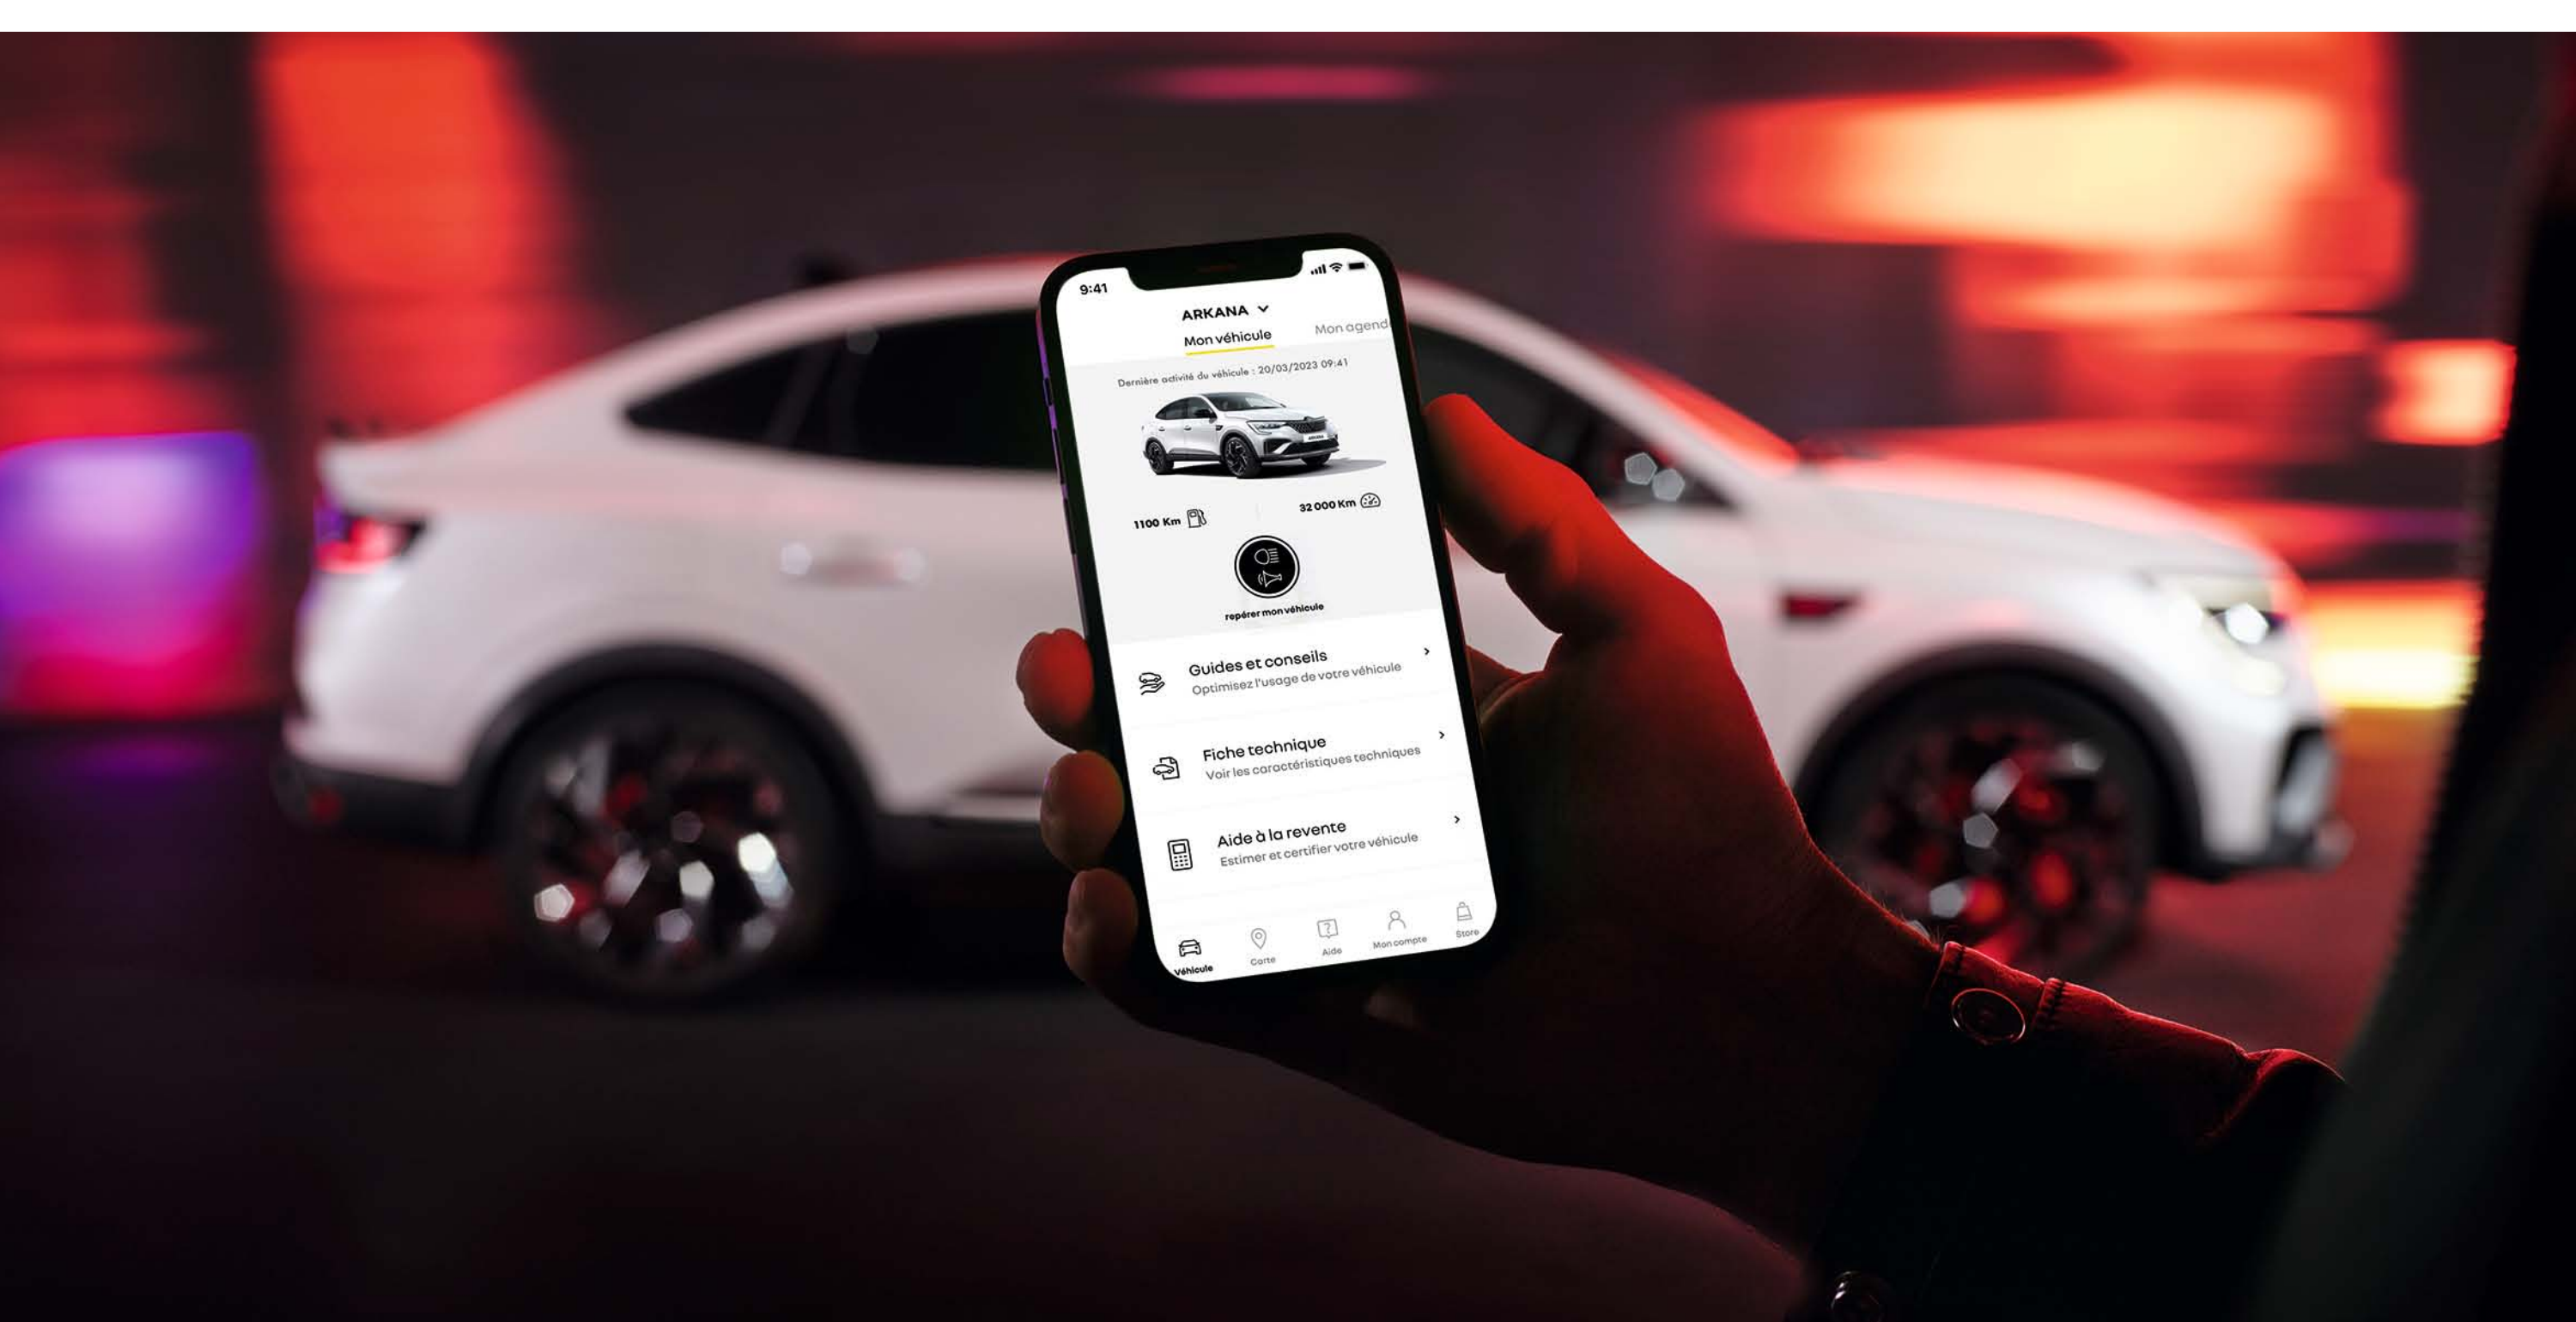

The easy link multimedia system and its 9.3" central touch screen facilitate access to navigation, widgets and your customised profile. Keep essential driving information in your direct view by displaying it on the 10.2" configurable digital instrument panel.

Access your applications, playlists, contacts and favourites directly on the central screen thanks to smartphone mirroring. The wireless charger always ensures an optimal level of independence.

With the My Renault application, manage your vehicle remotely and easily through your smartphone: connected services, location of the vehicle, service history, service reminders and garage appointment bookings.

## generous interior space

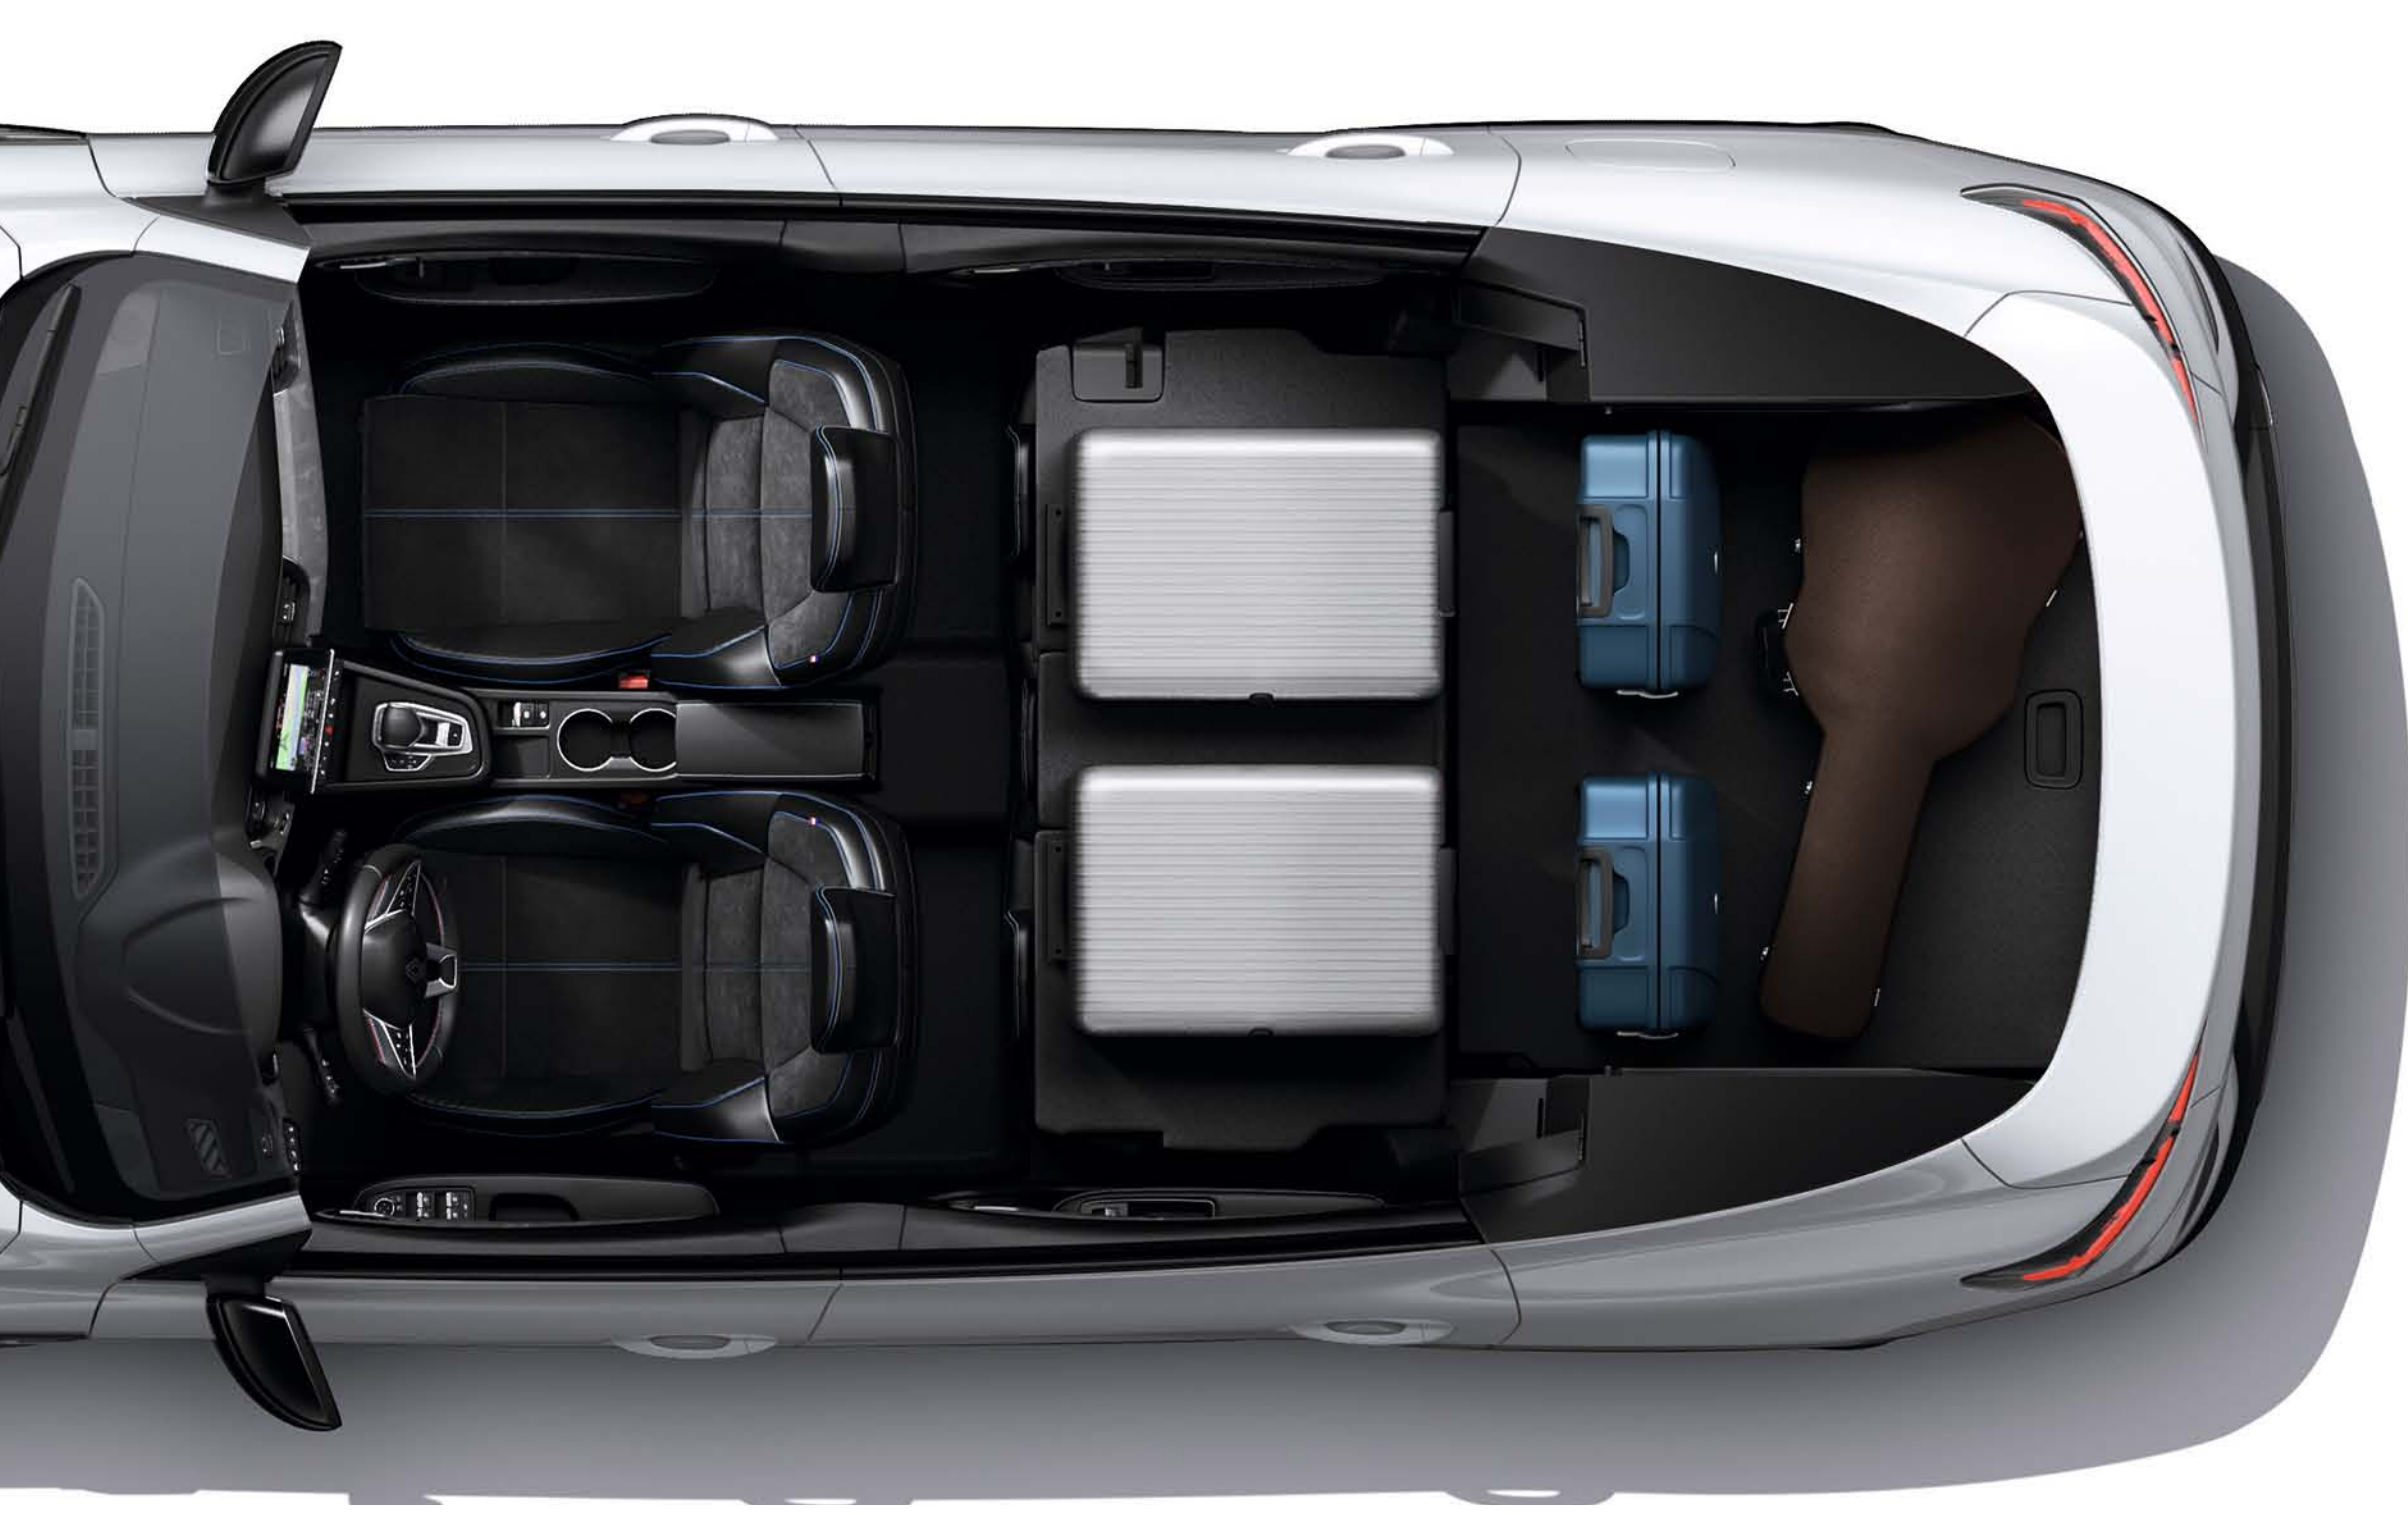

**The sportiness of the lines complements the generous interior and large boot of up to 513 litres<sup>(1)</sup>.**

**The carefully designed rear space comprises three seats and 21 cm of knee room.**

**In the low position, the height-adjustable floor maximises the loading capacity of 1,263 litres<sup>(1)</sup>; in the high position, it facilitates the loading of heavy objects. A configuration that also gives you a completely flat surface, once the 1/3-2/3 rear bench seatbacks are folded down.**

<sup>(1)</sup> depending on engine.

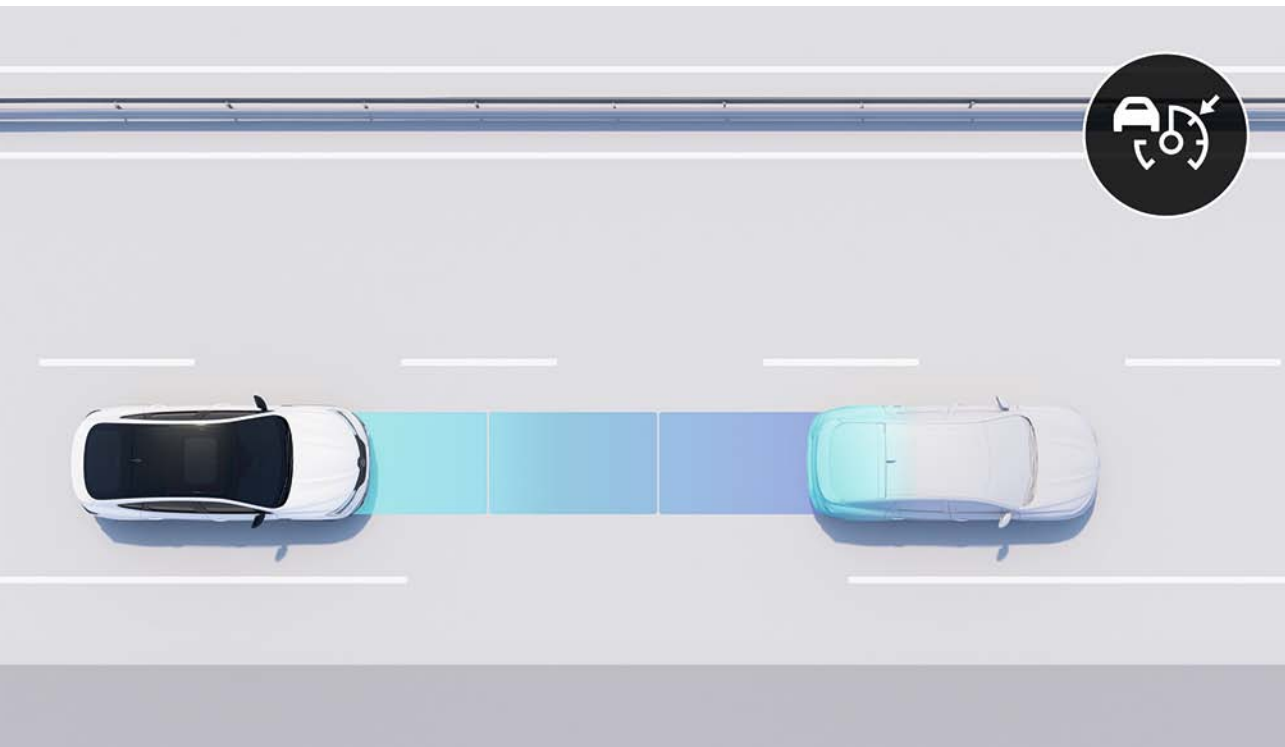

06. advanced driver-assistance systems

20 advanced driver-assistance systems

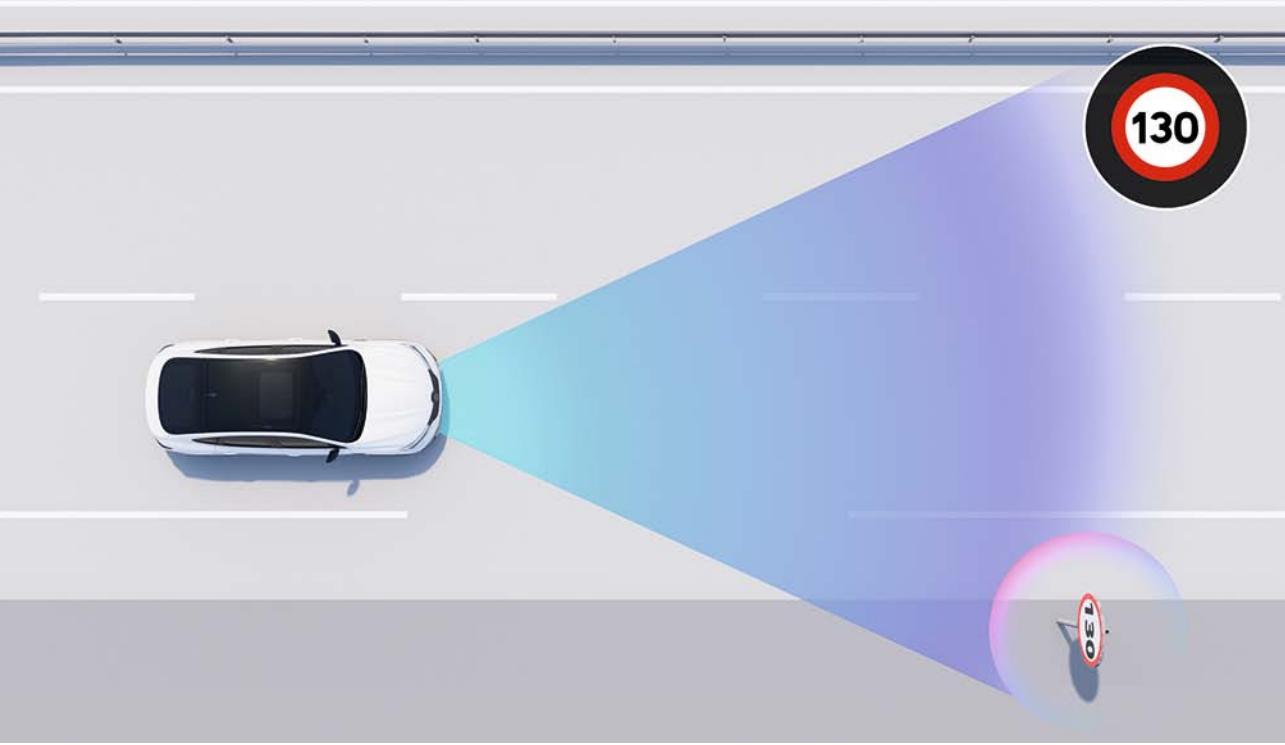

As part of the human first program, new Renault Arkana E-Tech full hybrid offers 20 advanced driver-assistance systems.

**active driver assist**  
This system regulates your speed by taking the road environment into account, maintains safe distances and ensures you remain in lane. When traffic slows down, the vehicle stops and restarts automatically.

**360° around view camera**  
Effortlessly manoeuvre your Renault Arkana with its four on-board cameras, which capture images to rebuild the environment directly around the vehicle.

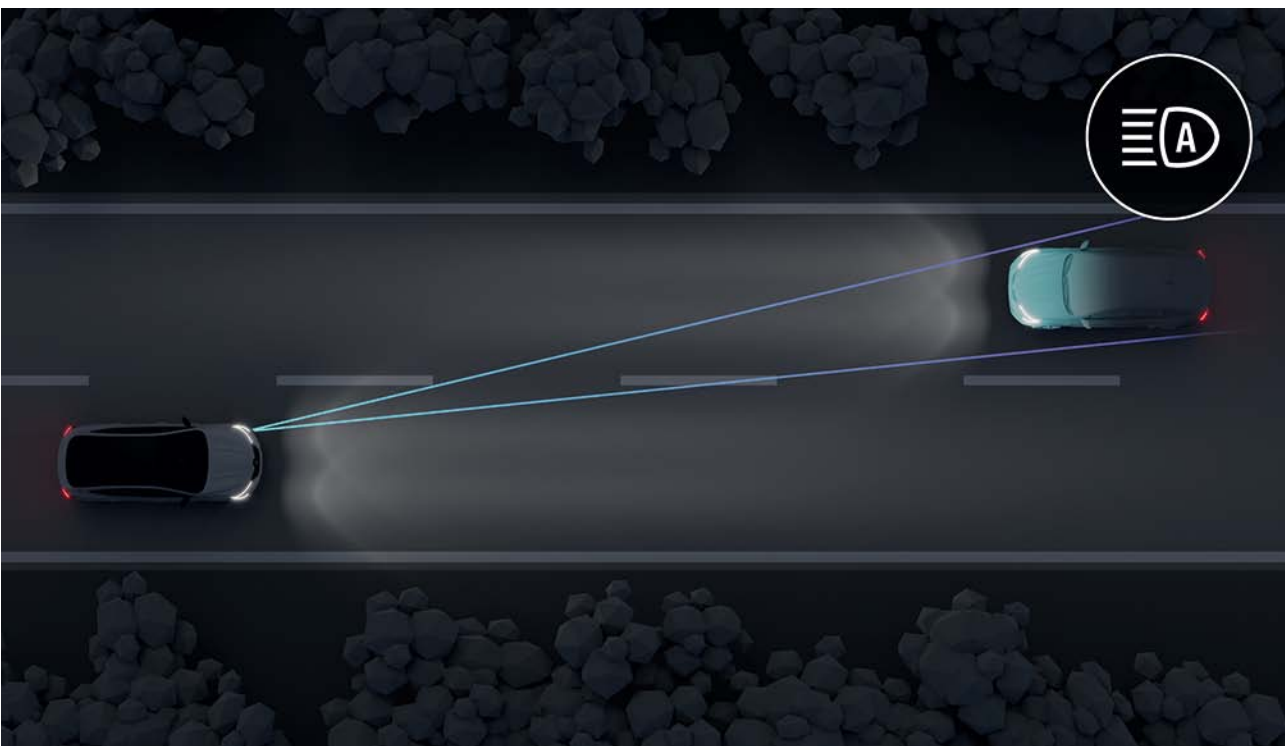

**road sign recognition and speeding alert**  
It keeps you informed via the instrument panel of the speed limits along your route thanks to a camera.

**automatic emergency braking (pedestrian/cyclist)**  
This system detects pedestrians to the side or in front and stops the vehicle in the event of any danger. Driving in the city has never been so safe, day or night.

**rear cross parking alert when reversing**  
Exit your parking spot more comfortably. Renault Arkana, equipped with sensors, signals the arrival of a vehicle that you may not have seen.

**automatic main-beam/dipped headlight activation**  
Thanks to a camera located on your windscreen that analyses light flows, the system automatically switches between main beam and dipped headlights.

driver-assistance systems

- active driver assist: adaptive cruise control + lane centring
- hill start assist
- speed limiter
- road sign recognition
- road sign recognition and speeding alert
- cruise control
- cruise control with automatic stop/start function

park assist systems

- rear parking sensors
- front parking sensors
- side parking sensors
- rear cross parking alert when reversing
- rear view camera
- 360° around view camera
- hands-free parking

safety assistance

- safe following distance warning (information on the driver's screen)
- lane departure warning
- lane keeping assist
- blind spot warning
- automatic main-beam/dipped headlight activation
- automatic emergency braking (pedestrian/cyclist)

07. customisation

accessories

**night blue exterior customisation pack**  
Make use of colour to stand out with the night blue, flame red or pearl white exterior customisation packs. These packs trim the front air inlets, the lower door protectors and the door mirror shells<sup>(1)</sup>.

**black spoiler**  
Add to the dynamic and sporty appearance of your SUV coupé with an athletic black, grey or elegant white spoiler.

**sidesteps**  
Accentuate the robustness of your Renault Arkana SUV coupé with elegant sidesteps that protect its bodywork against small everyday knocks.

**towbars**  
Our range of towbars meets your needs: the retractable towbar retains the lines of your vehicle by easily retracting in a few movements.

**grand confort cushion, rear organiser and portable armrest**  
Opt for this range of Renault accessories for a touch of elegance and to organise the rear passenger space. Bearing the brand's identity, the style of the accessories has also been given careful consideration.

(1) the door mirror shells are also available separately from the exterior customisation pack.
