

RENAULT CAPTUR

SUV with added personality

More athletic and dynamic than ever, Renault CAPTUR boasts a strong SUV identity. The high ground clearance, the iconic two-tone body and the C-shaped LED signature lighting* give it an unmistakable presence on the road.

* Standard on Evolution and above

Model shown with 10" TFT Driver Information Display only available with E-TECH Plug-in Hybrid versions

Interior revolution

Inside the cabin Renault CAPTUR feels like a car from a class above. It has entered a new dimension of quality and comfort with high-grade materials, improved comfort and greater interior space. The Smart Cockpit angled towards the driver offers a unique driving position.

Technology made simple

With the new EASY LINK multimedia system, accessing connected services has never been so simple. It's compatible with Android Auto™ and Apple CarPlay™, so you can easily connect your smartphone and get your favourites apps on the 7"* or 9.3"** touchscreen. Renault CAPTUR comes with 3-year free 4G connectivity allowing automatic maps updates and access to real-time traffic or fuel prices. With the Google Search function you don't need to know the exact address of your destination, simply type the name of the place and the navigation system will find it for you.

Android Auto™ is a trademark of Google Inc.

Apple CarPlay™ is a trademark of Apple Inc.

* 7" touchscreen on Evolution & Techno

** 9.3" touchscreen on R.S. Line

Always connected with MY Renault

Accessible on your smartphone through the MY Renault App or on a web portal, MY Renault allows you to interact with your vehicle remotely via a range of connected services designed to make your life easier. It will allow you to plan your journeys, locate your vehicle or monitor servicing requirements and schedule an appointment to your chosen Renault dealership.

Model shown with e-shifter - Not available in UK

Discover MULTI-SENSE

Renault CAPTUR offers a driving experience adaptable to your mood. The MULTI-SENSE* system allows you to choose between 3 driving modes (My Sense, ECO or Sport) and 8 different colours for the ambient lighting.

* Standard on Techno and R.S. Line

Make no compromise on practicality

Enjoy a large SUV interior space designed to give you maximum comfort. Make the most of one of the largest boot volume in the category (up to 536L*). The ingenious sliding rear bench can slide 16cm forwards or backwards, creating either more space for passengers or a larger boot. Need to transport long or bulky items? Make room in the back thanks to the folding bench seat to benefit from a huge 1,275 l of space.

*Petrol versions

Renault CAPTUR E-TECH Hybrid

Renault CAPTUR E-TECH Hybrid uses a similar hybrid technology to the E-TECH Plug-in Hybrid version. The main difference is the smaller traction battery which doesn't require you to charge it, as it mainly charges through regenerative braking and recovered energy from the petrol engine.

Its two electric motors work together with the petrol engine when you pull away, come to a standstill or when you need extra power in acceleration phases. The result : reduced fuel consumption and improved driving pleasure from the electric power.

Renault CAPTUR E-TECH Hybrid is ideal if you wish to reduce your fuel costs but don't have the possibility to install a charge point at home, or access one at work.

Renault CAPTUR E-TECH Plug-in Hybrid: electric on demand

Renault CAPTUR E-TECH Plug-in Hybrid is the most efficient, yet most dynamic CAPTUR to date. Combining an efficient 1.6L petrol engine with a 9.8 kWh battery and two electric motors, it delivers 160 hp and allows day-to-day full electric driving; ideal for zero emission commuting. On the occasional long journeys, Renault CAPTUR E-TECH Plug-in Hybrid will run using both the petrol engine and the electric motors offering unprecedented flexibility. This clever combination is the result of Renault's decade-long expertise in electric vehicles coupled with Formula 1® technology applied to road cars.

Model shown with e-shifter - Not available in UK

The best of both worlds

Renault CAPTUR E-TECH Plug-in Hybrid offers all the benefits of CAPTUR and more. Experience a cleaner, more dynamic SUV drive with confident acceleration while lowering your running costs. Charging is also simple: it will take up to 4h15* at home on mains socket or 3h on a dedicated home wallbox. Alternatively, you can also use one of the thousands of public charge points across the UK.

*Estimated charging time on a UK 3-pin domestic socket with 230V and 13A.

Charging the Renault CAPTUR E-TECH Plug-in Hybrid

Charging every day is important to make the most of Renault CAPTUR E-TECH Plug-in Hybrid.

Charging method	Usually found at	Charging time ⁽¹⁾ Empty to full
3-pin plug ⁽²⁾	Home	4h15 ⁽¹⁾
3.7 kW / 7kW	Home / Work / Public locations (supermarket, street...)	3h
22 kW	Work / Public locations (supermarket, street...)	3h

Renault CAPTUR E-TECH Plug-in can charge at a maximum rate of 3.7 kW.

What are the benefits of each charging method?

Charging location	Benefits
At home	The most convenient way to charge your Renault CAPTUR E-TECH Plug-in Hybrid is at home overnight so you can enjoy a full battery every morning
At work	Plug in when you're at work so you can leave fully charged at the end of the day and maximise zero emission driving on your way home
At public locations	Public charging gives you the opportunity to top up your battery at convenient locations like supermarket or car parks

Not sure to find charge points around you?

Use your EASY LINK navigation or MY Renault APP to find local charge points around your route.

Charging cables

3-pin socket cable⁽²⁾: this cable can be ordered as an Accessory and can be plugged to a domestic 3-pin socket. Length: 6.5m & maximum current: 10A. Charging time: up to 4h15.

Type 2 (mode 3): this cable comes as standard, this is the cable you would need to use if you install a dedicated charger at home. Length: 6m. Charging capacity: 3.7 kW. Charging time: 3h.

8 year battery warranty

For added reassurance and peace of mind, the traction battery on Renault CAPTUR E-TECH comes with an 8 year/100,000 mile warranty⁽³⁾, giving you confidence in our technology and on the road.

(1) Charging time depends on temperature, battery wear, power delivered by the station and battery charge level. (2) Estimated charging time on a UK 3-pin domestic socket with 230V and 13A. (3) 8 year/100,000 mile traction battery warranty (whichever is reached first). For full Warranty Terms and Conditions please visit www.renault.co.uk/warranty.

Driving the Renault CAPTUR E-TECH Plug-in Hybrid

Efficient 1.6L petrol engine
coupled with 2 electric motors delivering a total of 160hp

Plug-in connector
to recharge the 9.8 kWh battery

9.8 kWh traction battery
to drive in all electric mode

It drives easily, just like an automatic

Starting off

Always in electric mode

Renault CAPTUR E-TECH Plug-in Hybrid makes no noise when you start it. It uses the main electric motor to start in full electric mode; improving fuel economy, reducing emissions and maximising driving comfort.

Electric drive

Zero-emission drive

Use it like an electric car for day-to-day trips to reduce the running costs and enjoy the pleasure of electric drive.

Hybrid drive

The best of both worlds

On the occasional long journeys the electric motors and the petrol engine work together to maximise fuel economy. The vehicle will always choose the optimal mode to maximise efficiency.

Deceleration / braking

Energy recovery

Just like on a Formula 1® car, the system will capture energy through regenerative braking to help recharge your battery. This boost increases when you select the B Mode on the gear selector.

Reversing

Always in electric mode

Reversing is always in full electric mode to further improve fuel economy and lower exhaust emissions.

Cutting edge technology

Renault CAPTUR is equipped with the highest level of technology designed to improve safety. It also features technologies from the class above, paving the way to autonomous driving.

1. Renault Pure Vision LED headlights. Standard across the range, the Pure Vision full LED headlights provide greater visibility at night. With automatic high-beam*, Renault CAPTUR will switch to low beam as you enter a built up area or approach another vehicle.

2. Lane Departure Warning and Lane Keeping Assist. Standard across the range, these driver aids alert you and gently correct your trajectory if your vehicle changes lane without signalling.

Renault CAPTUR, what makes it stand out?

- It's stylish, with a distinctive SUV look and an iconic two-tone paint
- It's comfortable with a large cabin and a high driving position to dominate the roads
- It's practical with one of the biggest boots in the class and a sliding rear bench
- It has low running costs, and is available in both Hybrid (HEV) and Plug-in Hybrid (PHEV) versions

Colours

- (1) Non metallic paint
(2) Optional metallic paint
(3) Optional Renault ID metallic paint

EASYLIFE SERVICE PLAN

3 Years / 30,000 miles
4 Years / 40,000 miles

One off* and monthly** payment options available

*The EasyLife Service Plan offer is available for all retail vehicles and valid at participating dealers only or Renault.co.uk and can be purchased up to 12 months after registration or before the first service (whichever is sooner). Vehicles must be ordered between 01 July 2022 to 30 September 2022 and registered to 31 December 2022. **The EasyLife Service Plan is available for eligible retail vehicles on a 36 or 48 monthly payment option and are only available at point of signing a finance agreement provided by Renault Finance. Rivers Office Park, Denham Way, Rickmansworth, WD3 9YS. Guarantees and indemnities may be required. You must be a UK resident (excluding the Channel Islands) and over the 18 to apply for finance. Terms & Conditions apply.
The Renault Service plan covers the manufacturer's minimum maintenance programme requirements for the term of the Service Plan purchased (refer to the Warranty and Service sheet in the Handover Document wallet for details). The plan ends when you reach the age or mileage limit (whichever comes first). Services must be carried out in line with the manufacturer's minimum maintenance programme requirements and servicing intervals within +/-1 month or 1,000 miles of the service interval and can only be carried out at a Renault Approved outlet. Service plans do not cover wear and tear items such as (but not limited to) tyres, wiper blades or brakes. For Service plan full Terms & Conditions visit www.renault.co.uk/owners. Cannot be part exchanged, refunded or transferred. All prices quoted are MRRP.

Actual real world driving results may vary depending on factors such as weather conditions, driving styles, vehicle load or any accessories fitted after registration. WLTP is a new test used for fuel consumption and CO₂ figures. Please visit renault.co.uk/configure for WLTP figures for any selected options. ^Total powertrain output which includes the petrol engine and the two electric motors combined

Accessories

1. Shark Antenna. Add a sporty touch with the Shark Antenna, perfectly integrated in to the shape of your Renault CAPTUR. Compatible with digital audio broadcasts (DAB).

2. Standard Boot Liner. Essential for protecting the boot of your Renault CAPTUR and transporting larger objects. The liner fits the boot of your vehicle perfectly and it's semi-rigid material makes it easy to both fit and clean.

3. Illuminated CAPTUR Door Sills.* An elegant and modern touch everytime you open the doors of your Renault CAPTUR. Finished with the CAPTUR logo, these sills also protect your vehicle's doors from damage.

4. QuickFix Roof Bars. Easy and quick to fit without any tools using the innovative QuickFix mounting system. Ideal for transporting a bicycle rack, ski rack or roof box and increasing the vehicle's load capacity.

* Also available in a non-illuminated version.

Some accessories require the vehicle to be registered before fitment. Your selected dealer will be able to offer further advice on this and provide you with a quote for fitment for vehicles already in dealer stock. Accessories are fitted post production and may have an impact on WLTP fuel (actual) consumption and CO₂ figures.

For more information, consult the Renault Captur accessories brochure. For prices, please refer to Renault Car Price Guide.

Renault Services

5 Year Warranty

Your Renault car is covered by a warranty package for up to 5 years from date of first registration with unlimited mileage during the first 24 months, then limited to a total of 100,000 miles or 5 years, whichever comes first. Your Renault Dealer is able to repair or replace without charge, parts that are found to have a material or assembly defect that is recognised by Renault. The paintwork warranty runs for 3 years and the anti-corrosion warranty for 12 years^o.

3 Year Roadside Assistance

Should you need it, we'll provide emergency roadside repairs or tow you to the nearest Renault Dealer. This service is available 24 hours a day and is provided for 36 months from the date of first registration (unlimited mileage for first 24 months, then limited to a total of 60,000 miles or 3 years, whichever comes first). Assistance is provided within the UK & Northern Ireland only at roadside, home and includes national recovery and onward travel. Renault Assistance applies to mechanical or electrical defects which are covered by warranty.

For Renault Assistance Terms and Conditions please visit www.renault.co.uk/assistance

EasyLife Service Plan

Renault's EasyLife Service Plan is the ultimate package to provide care free servicing for the first 3 years or 30,000 miles (whichever is sooner). It really is the hassle free way to take care of our Renault and benefits from;

- Inflation Proof Servicing - You know exactly what you'll pay and there are no hidden costs
- Peace of Mind - No matter where life takes you, we'll be there in over 5000 workshops across Europe
- Renault Expertise & Quality - Our highly trained technicians know your Renault inside out

The EasyLife Service Plan contains Renault services in-line with the manufacturer's service schedule, plus comes with a complimentary vehicle health check to ensure your Renault is in the best condition possible.

EasyLife servicing and warranty enhancements also available. Refer to the Price Guide for more details.

One off* and monthly** payment options available.

Finance options***

There are a wide variety of ways in which the purchase of a new vehicle can be financed. Renault Finance offers all of them, so whether you're a fleet buyer or private buyer, Renault Finance is ideally placed to tell you which plan or combination of plans best suits your needs and circumstances.

Renault car insurance¹

A car as well designed as your Renault deserves an insurance policy to match. Renault Insurance has been specifically created to provide superb protection for you and your car. Unlike most other UK insurers, in the event of an accident, Renault Insurance will have your Renault repaired at a Renault Approved Bodyshop using only Renault approved parts and approved repair methods. This maintains your Renault's safety rating, protects its resale value and preserves its Renault warranty¹. Renault Insurance also offers a courtesy car for the duration of a repair at a Renault Approved Bodyshop.

Renault car insurance: **0330 102 7794¹**
