

RENAULT CLIO

Seductive style

Sensual lines, dynamic profile, sculpted sides and assertive presence. From the first look, Clio attracts you with its dynamic and desirable style. With its tidy finishes, it combines modernity and robustness: C-shaped signature, full LED lighting, finely integrated chrome finishes, brilliantly showcased in the optional signature Valencia Orange metallic colour.

BOSE not available on MY22. Vehicle comes without wide-angle wing mirror.

A perfect smart cockpit

On the interior, every detail counts. Clio has undergone a revolution, offering quality materials and finishes. With its new high-tech, driver-orientated cockpit and sporty seats, enjoy a driving experience which will awaken your senses. Settle into the future at the wheel of Clio and stay ahead with a large multimedia 9.3" touchscreen* and 10" TFT Colour Driver Instrument Display*.

* Standard on MY22 R.S. Line & E-Tech engineered.

Driving pleasure and comfort on board

The Clio offers a choice of engines. With petrol and E-Tech powertrains available across all trim levels, Clio achieves top-level performances whilst ensuring impressive fuel consumption.

Thanks to its dynamic chassis, and its direct and precise steering, no more boring roads!

The driver will not be the only one smiling on board: the suspension and soundproofing have been improved for everyone's comfort.

Renault Clio R.S. Line: stand out through sportiness!

Clio R.S. Line stands out with its sportiness, which it gets from its Renault Sport DNA. The exterior design sets the tone: sporty front bumper with F1 blade emblematic of R.S. Models, bee hive lower grille, glossy black insert on grille, 17 inch R.S. Line diamond cut alloy wheels, rear underskirt with spoiler and oval chrome exhaust finisher. This unique personality is summed up by the R.S. Line badge on the front wings and boot door.

The cockpit confirms this sporty character with a carbon look enhanced by red contrast stitching: sport seats with strengthened side supports, steering wheel with double diamond, aluminium pedal unit, dashboard and seat belts with a striking red line. The black ceiling and the driver-focused high-tech cockpit complete this resolutely sporty and technological atmosphere. Passion stimulated by every detail.

E-Tech Engineered stands out with its stylish design

Clio E-Tech Engineered has a striking impact on the road with its premium look exclusive to the E-Tech powertrain. E-Tech Engineered offers a unique look, with stylish gold interior trim and gold exterior features, including a gold F1 blade and new 17" E-Tech Engineered diamond alloy wheels. This new trim also features shiny black inserts including a black Renault logo. Comfort and convenience is still crucial for Clio, maintaining the top of the range features such as the large multimedia 9.3" touchscreen and the 10" TFT Colour Driver Instrument Display. Take a drive to see for yourself!

A detailed view of a Renault car's interior, focusing on the steering wheel and dashboard. The steering wheel is black with a perforated texture and yellow stitching, featuring the Renault logo in the center and various control buttons. The dashboard has a large digital display showing navigation, speed, and other vehicle information. To the right, a tablet is mounted, displaying a map and contact information. The overall design is modern and tech-oriented.

Smart cockpit,
technology at
your fingertips

*Synthetic leather steering wheel.

Stay connected... in total freedom!

At the heart of the cockpit, the EASY LINK system offers the largest screen in its category*. Perfectly integrated with the Renault EASY CONNECT universe, it all starts before you have even stepped inside. Thanks to the MY Renault smartphone application, you can plan your trips in advance and send your destination to the car.

Once on board, the EASY LINK system with wifi smartphone replication**, compatible with Android Auto™† or Apple™ CarPlay™†, gives you access to all your multimedia content in the blink of an eye.

The onboard navigation delivers a huge amount of information in real time: traffic density, to incidents or service stations.

As simple and effective as Google Maps, all you need is two or three key words to search for your destination on the Google address search.

Thanks to the Auto-Update function, you can be sure that your system and TomTom mapping are automatically updated.

*9.3" screen standard on R.S. Line & E-Tech Engineered, 7" screen standard on Evolution & Techno.

**Please check availability with your local dealer.

† Android Auto™ is a trademark of Google Inc. Apple CarPlay is a trademark of Apple Inc.

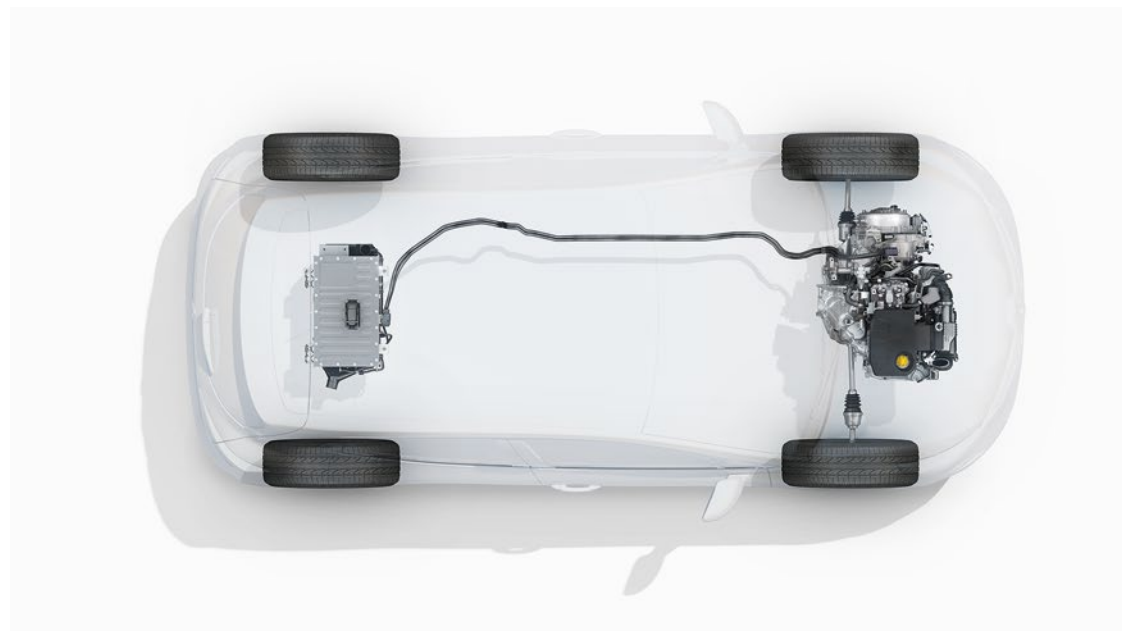

WiFi smartphone replication available. Check availability with your local dealer.

Clio E-Tech full hybrid

With its full hybrid engine, Clio E-Tech full hybrid offers you unprecedented driving pleasure. It combines acceleration, responsiveness and fuel economy whilst retaining the versatility and comfort of Clio. In urban areas you can experience all-electric driving, synonymous with silence and fuel savings. On the road, thanks to its 145 hp, Clio E-Tech full hybrid brings confident acceleration and the pleasure of its instant responsiveness. E-Tech full hybrid is available across the range.

On board, find all the advantages of Clio, the benchmark in its category: large connected screens, maximum safety and ultra-modern driving aids.

You can enjoy the benefits of E-Tech full hybrid technology: comfort of the E-Tech automatic transmission, EV button for 100% electric driving and customisation of the MULTI-SENSE driving modes.

Renault EASY DRIVE

The innovative technologies on board Clio are with you every second for a simplified drive.

1. Cruise control with speed limiter

Set your speed or your maximum speed. Steering wheel controls allow you to set parameters in a few instants.

2. Renault LED pure vision

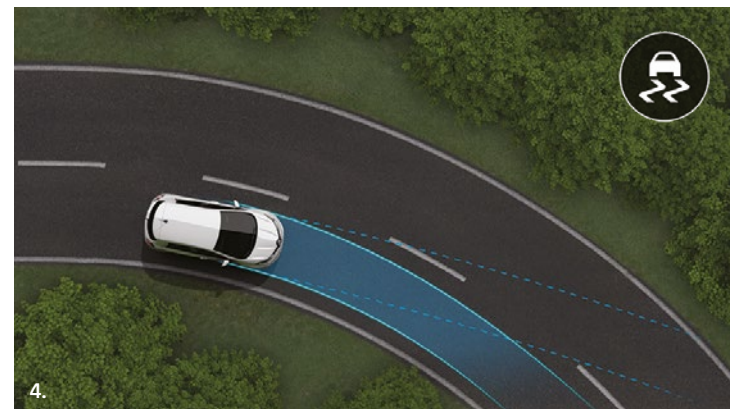

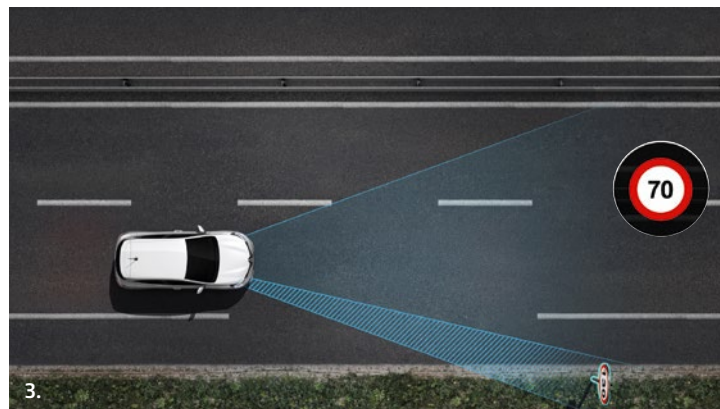

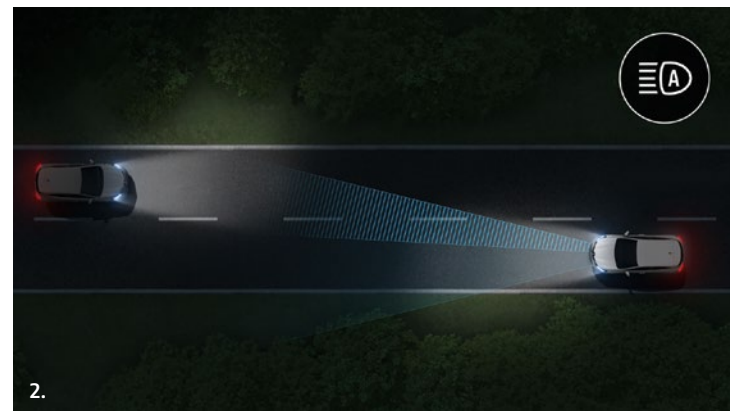

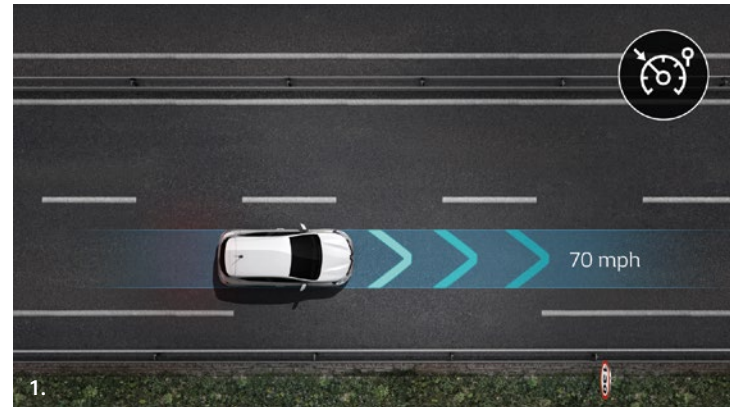

Clio is equipped with powerful full LED Pure Vision headlights across the range. As well as automatic main beam headlight activation for better visibility.

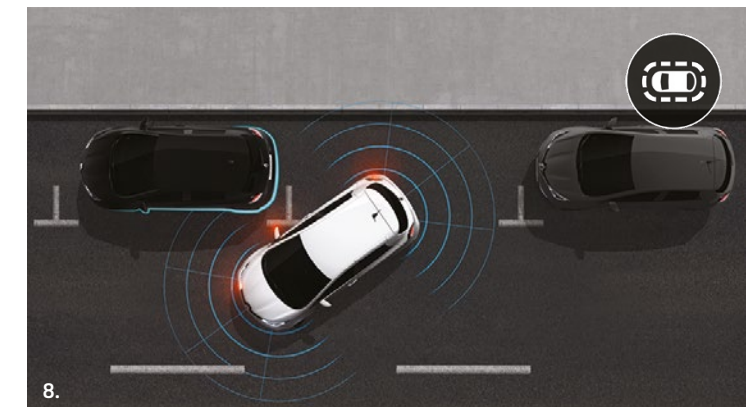

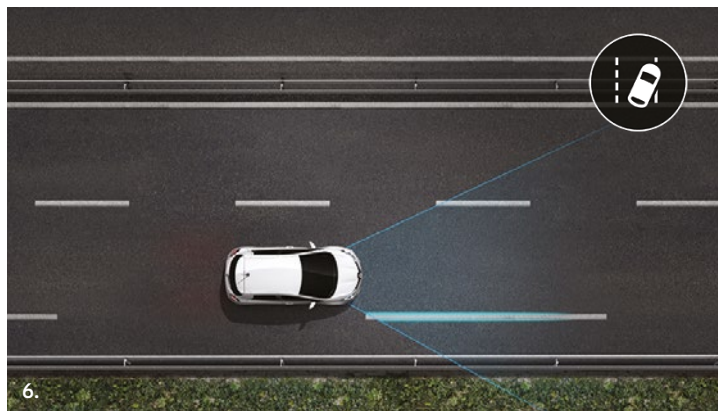

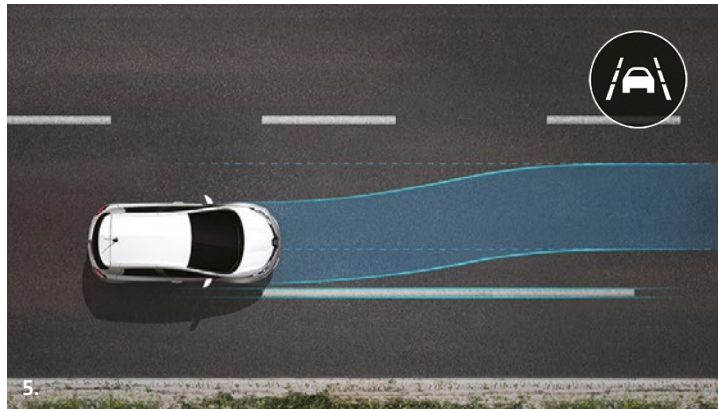

3. Traffic sign recognition*

Clio informs you via the dashboard of speed limits using a camera which recognises road signs.

4. Electronic stability control

The system allows you to maintain control of the vehicle in critical driving situations: obstacles or loss of grip on a bend

On-board intelligence

Clio has the most modern technologies, providing you with optimal safety.

5. Lane keep assist

Active between 40 m/h and 80 m/h, this system corrects the steering wheel to bring the vehicle back into lane if you ever cross a continuous or broken line without activating your indicator.

6. Lane departure warning

The system informs the driver of unintended crossings of a solid or broken line, using a camera located on the windscreen, behind the rear-view mirror.

7. Hill start assist

Combined with electronic stability control, hill start assist maintains brake pressure automatically for 2 seconds to give you time to lift your foot from the brake pedal and press the accelerator. The system activates when the slope exceeds 3%.

8. Parking sensors (rear and/or front*)

Radar sensors facilitate your manoeuvres by warning you with sound and visual signals of the proximity of obstacles in front of and behind.

† Available from techno and above. It is your responsibility to stay alert, drive safely and be in control of the vehicle at all times. Driver assist features have speed and other limitations and should not be relied on. For more information, please refer to the owner's manual or contact your local dealer. *Front parking sensors as standard from techno and above. Rear parking sensors are standard across the range.

Standard features*

EVOLUTION

16" Philia diamond cut alloy with black inserts

Black cloth upholstery with headrest and sides

Exterior

- 16" Philia diamond cut alloy
- Back wing mirrors
- Body coloured door handles and door mirrors
- LED daytime running lights

Interior

- Chrome trim on steering wheel, gear lever and side vents
- Black cloth upholstery with headrest and sides

Safety

- 6 airbags, including side curtain airbags
- Hill start assist (HSA)
- Lane keep assist and lane departure warning
- Cruise control and speed limiter
- Tyre pressure warning light
- ISOFIX child seat fixing points on rear outermost seats
- Auto lighting and rain sensing wipers

Comfort and Convenience

- Climate control - air conditioning
- Renault EASY CONNECT: multimedia and services
- Rear parking sensors
- Hands free key card
- 7" EASY LINK touchscreen with navigation: 4x20W amplifier +FM DAB double tuner, sound auditorium, 2xUSB, 1x Jack / Bluetooth, wireless smartphone integration plus: Apple CarPlay / Android Auto
- One touch front and rear electric windows
- 4.2" TFT colour driver information display
- 2 x luggage nets in the boot

Full E-Tech standard equipment

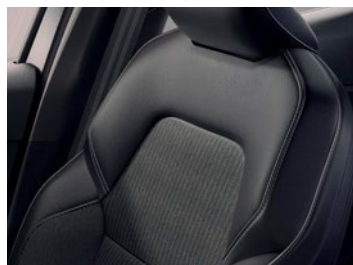

- EV mode selector
- 7" TFT colour driver information display

Standard features*

TECHNO

17" Viva Stella diamond cut alloy with grey inserts

Black 3D fabric and velvet upholstery

Additional equipment to Evolution

Exterior

- 17" Viva Stella diamond cut alloy with grey inserts
- Chrome exhaust pipe
- LED roof lights and black headlining
- Chrome front grill
- Front LED fog lamps
- Tinted rear windows
- Shark fin antenna

Interior

- Light vision grey interior detailing to dashboard and door panels

Accessories

Experience your Clio to the max with our range of accessories.

1. Shark antenna*. Add a sporty touch with the shark antenna, perfectly integrated in to the shape of your Clio. Compatible with digital audio broadcasts (DAB).

2. Easy flex all-in-one boot liner. Essential for protecting the boot of your Clio and transporting larger objects. Folds and unfolds easily, adapting to the rear seat position. When fully extended, it covers the whole load space. Multi-purpose and practical for both everyday use and also leisure activities.

3. Kenwood dashcam. For your safety, the on-board camera automatically starts recording as soon as the vehicle ignition is switched on.

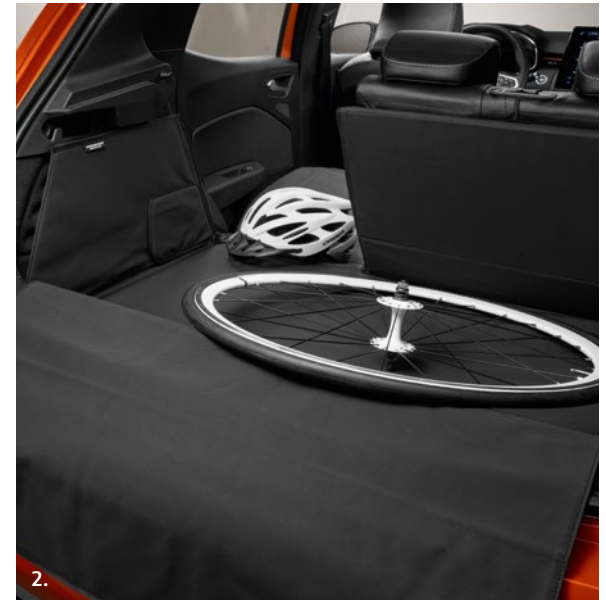

4. Illuminated door sills.** An elegant and modern touch every time you open the doors of your Clio. Finished with the Clio logo, these stainless steel and aluminium finished door sills also protect your vehicle's doors from damage.

*These accessories require registration of the vehicle before fitment.

**Also available in a non-illuminated version.

Some accessories require the vehicle to be registered before fitment. Your selected dealer will be able to offer further advice on this and provide you with a quote for fitment for vehicles already in dealer stock. Accessories are fitted post production and may have an impact on WLTP fuel (actual) consumption and CO₂ figures.

For more information and additional accessories, consult the Clio accessories brochure. For prices, please refer to Renault Car Price Guide

EASYLIFE SERVICE PLAN

EasyLife Service Plan

3 Years / 30,000 miles

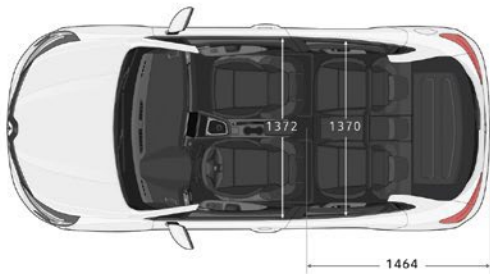

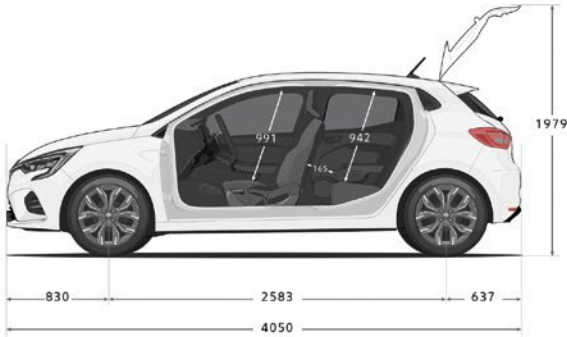

4 Years / 40,000 miles

One off* and monthly** payment options available

*The EasyLife Service Plan offer is available for all retail vehicles and valid at participating dealers only or Renault.co.uk and can be purchased up to 12 months after registration or before the first service (whichever is sooner). Vehicles must be ordered between 04 October to 31 December 2022 and registered to 31 March 2023. **The EasyLife Service Plan is available for eligible retail vehicles on a 36 or 48 monthly payment option and are only available at point of signing a finance agreement provided by Renault Finance. Rivers Office Park, Denham Way, Rickmansworth, WD3 9YS. Guarantees and indemnities may be required. You must be a UK resident (excluding the Channel Islands) and over the 18 to apply for finance. Terms & Conditions apply.

The Renault Service plan covers the manufacturer's minimum maintenance programme requirements for the term of the Service Plan purchased (refer to the Warranty and Service sheet in the Handover Document wallet for details). The plan ends when you reach the age or mileage limit (whichever comes first). Services must be carried out in line with the manufacturer's minimum maintenance programme requirements and servicing intervals within +/-1 month or 1,000 miles of the service interval and can only be carried out at a Renault Approved outlet. Service plans do not cover wear and tear items such as (but not limited to) tyres, wiper blades or brakes. For Service plan full Terms & Conditions visit www.renault.co.uk/owners. Cannot be part exchanged, refunded or transferred. All prices quoted are MRPP.

* Subject to final homologation ^Total powertrain output which includes the petrol engine and the two electric motors combined
*WLTP figures shown are for comparability purposes; only compare figures with vehicles tested to the same technical procedures. Actual real world driving results may vary depending on factors such as weather conditions, driving styles, vehicle load or any accessories fitted after registration. Please visit reault.co.uk/configure for WLTP figures for any selected options. † Vehicle specification, price, technical features and consumption figures may vary for any new factory orders due to new models being launched. Please speak to your local dealer for more information prior to placing an order.

Renault Services

5 Years Warranty

Your Renault car is covered by a warranty package for up to 5 years from date of first registration with unlimited mileage during the first 24 months, then limited to a total of 100,000 miles or 5 years, whichever comes first. Your Renault Dealer is able to repair or replace without charge, parts that are found to have a material or assembly defect that is recognised by Renault. The paintwork warranty runs for 3 years and the anti-corrosion warranty for 12 years^o.

3 Years Roadside Assistance

Should you need it, we'll provide emergency roadside repairs or tow you to the nearest Renault Dealer. This service is available 24 hours a day and is provided for 36 months from the date of first registration (unlimited mileage for first 24 months, then limited to a total of 60,000 miles or 3 years, whichever comes first). Assistance is provided within the UK & Northern Ireland only at roadside, home and includes national recovery and onward travel. Renault Assistance applies to mechanical or electrical defects which are covered by warranty.

For Renault Assistance Terms and Conditions please visit www.renault.co.uk/assistance

EasyLife Service Plan

Renault's EasyLife Service Plan is the ultimate package to provide care free servicing for the first 3 years or 30,000 miles (whichever is sooner). It really is the hassle free way to take care of our Renault and benefits from;

- Inflation Proof Servicing - You know exactly what you'll pay and there are no hidden costs
- Peace of Mind - No matter where life takes you, we'll be there in over 5000 workshops across Europe
- Renault Expertise & Quality - Our highly trained technicians know your Renault inside out

The EasyLife Service Plan contains Renault services in-line with the manufacturer's service schedule, plus comes with a complimentary vehicle health check to ensure your Renault is in the best condition possible.

EasyLife servicing and warranty enhancements also available. Refer to the Price Guide for more details.

One off* and monthly** payment options available.

Finance options***

There are a wide variety of ways in which the purchase of a new vehicle can be financed. Renault Finance offers all of them, so whether you're a fleet buyer or private buyer, Renault Finance is ideally placed to tell you which plan or combination of plans best suits your needs and circumstances.

Renault car insurance¹

A car as well designed as your Renault deserves an insurance policy to match. Renault Insurance has been specifically created to provide superb protection for you and your car. Unlike most other UK insurers, in the event of an accident, Renault Insurance will have your Renault repaired at a Renault Approved Bodyshop using only Renault approved parts and approved repair methods. This maintains your Renault's safety rating, protects its resale value and preserves its Renault warranty[^]. Renault Insurance also offers a courtesy car for the duration of a repair at a Renault Approved Bodyshop.

Renault car insurance: **0330 102 7794[†]**
