

RENAULT SYMBIOZ

technology that reconnects you

The ultimate lifestyle car, Renault Symbioz combines all the advantages of a compact vehicle with those of a family car. The interior is both technologically advanced and comfortable to ensure your well-being, with generous interior space, a solarbay® opacifying panoramic sunroof, premium Harman Kardon® sound and the openR link multimedia system.

When technology meets interior
comfort for an enhanced on-board
experience.

solarbay® opacifying panoramic sunroof⁽¹⁾	openR link system with Google built-in⁽²⁾	29 advanced driving- assistance systems
up to 708 litres⁽³⁾ of boot volume	160 hp full hybrid E-Tech engine	up to 1,000 km of range⁽⁴⁾

avant-garde elegance

Its assertive personality defines the exterior style of Renault Symbioz. Its dimensions remain compact to adapt to your needs. With its robust and refined grille with the new Renault identity, satin chrome logo and half-diamond brand light, each element of the design accentuates its charisma.

The radiator grille, made up of micro-diamonds, is adorned with a graphic effect. At the rear, the Symbioz signature emphasises the sharp lines.

The 19" alloy wheels add a powerful look to the silhouette.

esprit Alpine

The Alpine spirit stands out through a number of distinctive features, including the schist grey F1 strip.

Special 19" elixir wheels and Alpine badge on the front wings for more sportiness. On board, upholstery topstitched in Alpine blue with iconic Alpine logo on the seat backs.

connect with well-being

Take a seat in a high-tech cockpit that enhances driving pleasure. With its steering wheel controls, the dashboard is streamlined and driving is simplified. Every passenger can enjoy the innovative view offered by the solarbay^{®(1)} opacifying panoramic sunroof and the customised sound environment created by Harman Kardon^{®(1)}. Whatever the journey, share the fun with family or friends.

Solarbay[®] technology is voice-activated with Google Assistant⁽²⁾ or manually via a button located on the courtesy light. Adjustable to 4 different opacity configurations, it maintains light and heat comfort on board in both summer and winter.

The passenger compartment has an induction charging point. Put your smartphone on it and your device will stay charged wirelessly, without interruption.

(1) standard on iconic esprit Alpine. (2) My Renault, Google Maps and Google Assistant connected services are provided free of charge for 5 years from the date of delivery of your vehicle. Google, Google Play, Google Maps, Waze and other marks are trademarks of Google LLC.

Immerse yourself in the exclusive Harman Kardon® sound experience and enjoy the most beautiful emotions: 9 speakers distributed throughout the cabin and designed to deliver the same sound quality in each seat.

standard on iconic esprit Alpine

openR link multimedia system with Google built-in

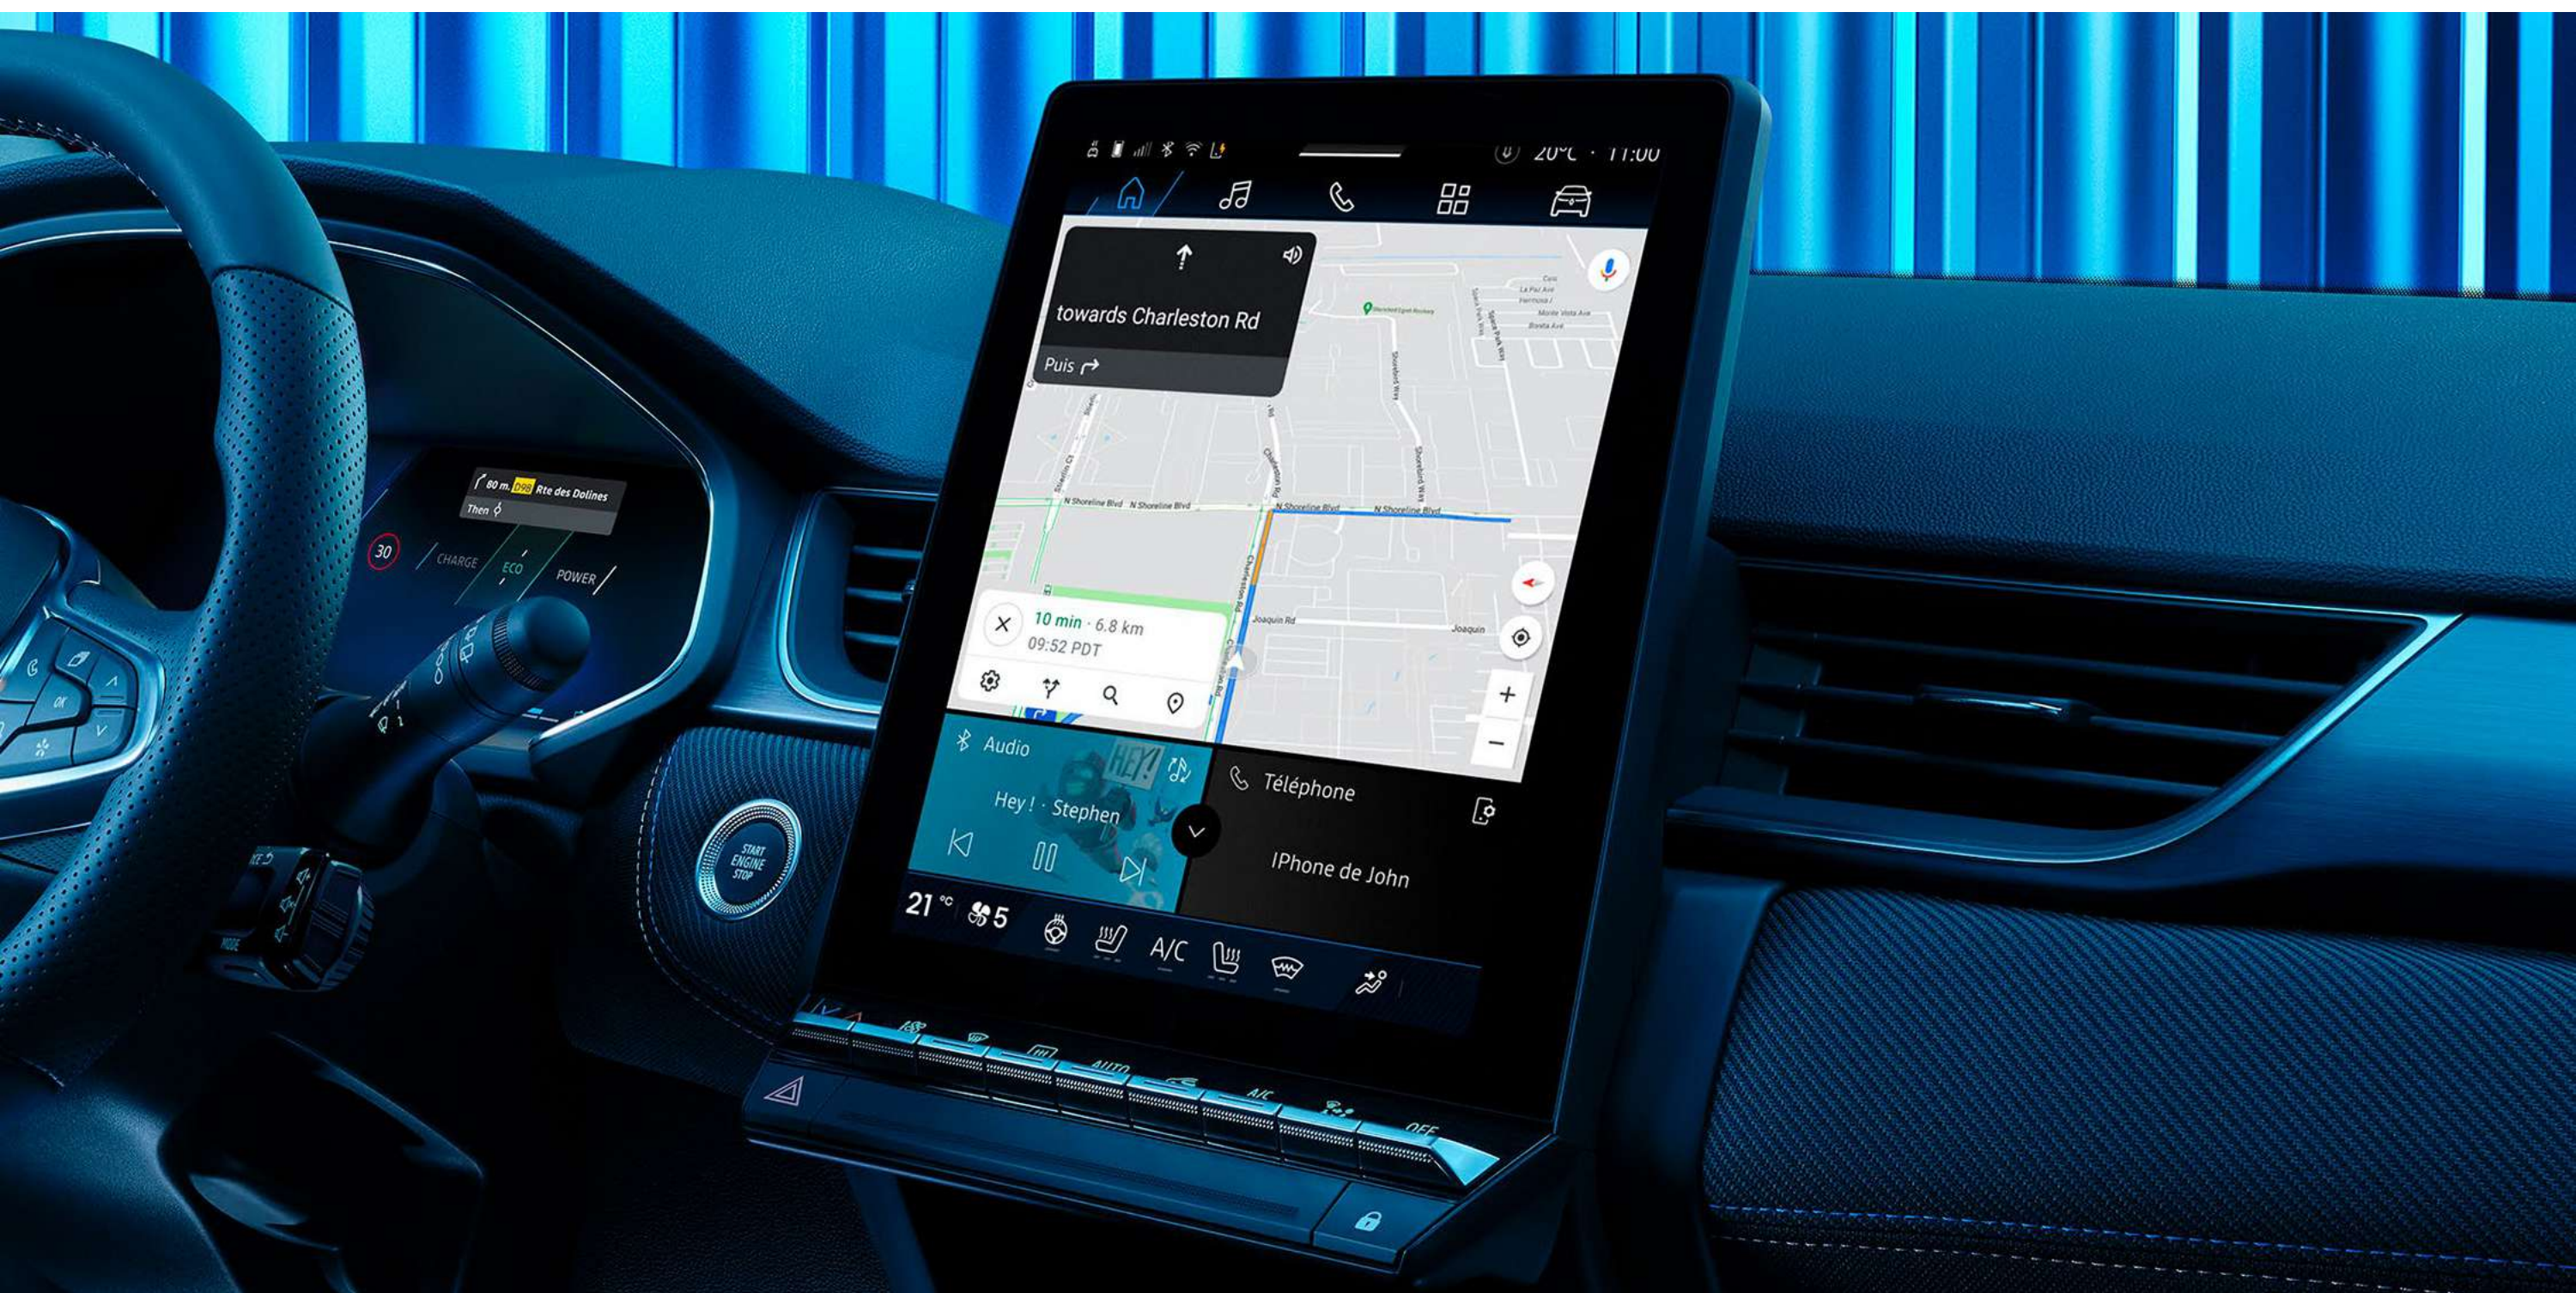

The 10.4" central display and the 10" digital TFT dashboard connect you to the best of technology thanks to the openR link multimedia system with Google built-in⁽¹⁾. Enjoy more than 50 apps for a shared experience.

Google Maps⁽²⁾ provides accurate navigation even if the network goes down, informing you of road closures, changes to the direction of traffic, road works, etc.

"Hey Google..." Talk to it to plan a trip, change driving mode or adjust the opacity of the solarbay[®] panoramic sunroof. The voice assistant is there for you.

More than 50 applications⁽¹⁾ are available including 11 from Renault partners with Google Play⁽³⁾.

Waze is a community-based navigation app that shares information in real time. Waze gives you more peace of mind.

Take the road while listening to playlists, and much more, with **Amazon Music**, included with your Amazon Prime subscription.

Vivaldi browser is an efficient, fast web browser that respects your privacy.

Sybel is a unique platform to find your favourite podcasts, and discover exclusive original creations, audio books, new documentaries, etc.

(1) Google, Google Play, Google Maps, Waze and other brand names are trademarks of Google LLC.
(2) My Renault, Google Maps and Google Assistant connected services are provided free of charge for 5 years from the date of delivery of your vehicle. (3) The use of applications downloaded from Google Play requires a dedicated data package. To use these apps, share your phone's connection with your Renault. You can also take out an offer with our partner, Orange. Google, Google Play, Google Maps are available from techno version.

the space adapts to you

The spacious passenger compartment has the ideal dimensions and modular design for perfect versatility, with electric front seats⁽¹⁾, 22 cm of legroom in the rear and a folding and sliding rear bench seat.

With the rear bench seat folded down, you have a total volume of 1,682 litres⁽²⁾ to carry your luggage, groceries or equipment. The practical hands-free system allows the tailgate to be opened with one foot movement.

Save space in a flash. Thanks to the sliding rear bench seat with 16 cm of travel, the boot capacity is increased from 576 litres to 708 litres⁽³⁾.

(1) depending on version. (2) with the mild hybrid engine. (3) with the mild hybrid engine and bench seat fully forward.

With the new 160 hp full hybrid E-Tech and 140 hp mild hybrid engines, acceleration is smooth and dynamic, while optimising your fuel consumption. Silence, responsiveness, agility, whether you're driving in town or out on the road.

140 hp mild hybrid engine
First level of hybridisation to reduce fuel consumption while taking advantage of dynamic acceleration phases.

160 hp full hybrid E-Tech engine
In urban and suburban areas, enjoy fuel savings of up to 40%⁽⁴⁾; drive up to 80% of the time in electric mode and without any noise, while charging the battery when decelerating or braking.

(1) up to 80% electric driving in urban and suburban areas. Depending on the state of charge of the battery and driving style / Renault internal source 2023. (2) with a full tank of petrol according to WLTP data. (3) approval in progress. (4) for a full hybrid E-Tech engine compared with a mild hybrid auto engine, according to WLTP City protocol (utac & idiada source, September 2022).

detect, inform, guide

The "safety score" assesses your ability to drive safely by analysing information about speed, trajectory and safety distance as you drive. At the end of each trip, it displays your score from 0 to 100 to help you improve your driving.

The "safety coach" helps you to improve your driving by using the safety score and informs you in real time of the potential risks on your route, based on the surrounding data.

29 advanced driving-assistance systems

active driver assist
This system regulates your speed by taking the road environment into account, maintains safe distances and ensures you remain in lane. When traffic slows down, the vehicle stops and restarts automatically.

predictive hybrid driving
Your car anticipates combustion-engine, hybrid or 100% electric driving by continuously analysing your route to establish the time at which you shall drive through a town or whether you risk encountering a particular topography or a traffic jam. As a result, you improve the fuel consumption and performance of your vehicle.

360°-view camera
The 4 cameras, whose images recreate the vehicle's direct environment 360° around it, allow you to perform your manoeuvres effortlessly.

rear automatic emergency braking system
This system detects obstacles at the rear and stops the vehicle automatically in the event of danger.

lane keeping assist
This system corrects the angle of the steering wheel, returning the vehicle to its lane unless you have indicated.

occupant safe exit alert
This system alerts you if a vehicle is approaching from the rear when you want to open the door.

accessories

exterior customisation packs and premium side steps
Shape Renault Symbioz and accentuate its dynamism with the front and rear bumper skid plates and the door mirror shells⁽¹⁾ from the exterior customisation pack. With the premium side steps, enhance its design and easily access roof loading.

tool-free removable towbar and quickfix roof bars
Tow your equipment, leisure equipment or a boat in complete safety thanks to the range of tow bars specifically designed for Renault Symbioz. With the quickfix transverse roof bars, you can easily transport a bicycle rack or roof box.

easyflex modular boot protection
Essential for protecting the boot of your vehicle and transporting bulky and dirty items. Compatible with both boot floor positions, it folds and unfolds easily and covers the entire loading area.

stainless steel boot sill and boot storage nets
The custom-made, robust stainless steel boot sill elegantly covers and protects the boot opening when loading items. Horizontal or vertical storage nets keep items secure during transport.

rear passenger accessories
Choose the Alcantara rear headrest cushion for your well-being, offering support and comfort. Transform the armrest into a stylish backpack for practical and stylish storage of your items. The multifunction organiser has a number of clever places to store all of your everyday items.

(1) pearl grege and highland grey door mirror shells.

**the human first program
is a comprehensive safety
program developed by Renault
in collaboration with researchers,
experts and firefighters.**

**as road safety concerns all road users,
whether pedestrians, cyclists or
motorists, the human first program
by Renault aims to:**

**1. prevent accidents by developing safety equipment
and advanced driver-assistance and safety systems**

up to 32 advanced driver-assistance systems / more than
60 safety features, up to 7 airbags, child seats (Isofix), Renault
Fixe4sure solution / more than 2,000 safety-related patents
filed since 1970

**2. manage accidents once they have happened by drawing
on innovations developed in collaboration with firefighters**

QRescue / Fireman Access / more than 5,000 firefighters trained
over 10 years in 20 countries worldwide / around 400 cars
donated per year for their training

**3. reduce the number of accidents and their severity
by investing massively in R&D**

safety score / safety coach / connected services / big data /
artificial intelligence and cybersecurity systems
